

ic²IS — 2024
POSTER COMPETITION

**3rd International Conference on
Convergence of Interdisciplinary Science**

Organized by
Editors of Science Dialectica

Phone: 8250218245 / 7908127005

Email: conference@scdialectica.com

Web: <https://www.scdialectica.com/conference-2024/>

Abstracts are invited for Poster Presentation Competition in **ic²IS** – 2024

THEMATIC AREAS

- *Theoretical and Experimental Condensed Matter Physics*
- *2D Materials (Graphene, MoS₂, WS₂, Mxene etc.) and Devices*
- *Nanomaterials (Nanoparticle, Quantum Dot, Perovskite, Quantum Cluster etc.)*
- *Energy Devices (Photovoltaics, Battery, Supercapacitor, Fuel cell, Piezoelectric, Thermoelectric, Triboelectric etc.)*
- *Artificial Intelligence and Machine Learning in Material Science*
- *Biomaterials and Medical Devices & Biosensors*
- *Sensors (Chemical, Gas, Wearable) and Actuators*
- *Optical, Electronic, Magnetic Materials and Plasmonics*
- *Metal Recycling Processes, Waste Treatment*
- *Water Purification, Wastewater Management, Water Technology*
- *Advance Characterization Techniques and Instrumentation*

Competition Details

- ❖ Please present original research work in the following areas.
- ❖ Three best posters will be awarded with **INR 6000, 4000, 3000**
- ❖ A scan copy of the registration document of participant's academic degree is needed along with the abstract.
- ❖ Submit the abstract of your poster by 15th February-2024.
- ❖ Final poster along with academic registration certificate should be submitted by 15th February 2024.

Who are eligible?

MS/ M.SC/ PhD Students in any Brach of Science and Engineering

Contact

Any communication can be made through email: conference@scdialectica.com

Details can be found in conference website: <https://www.scdialectica.com/conference-2024/>
