

Breaking News: Date of iC2IS- 2025 Announced

# Science Dialectica

Kolkata, 13th December, 2024

📍 Kolkata, Friday 20:54

The Editorial Board of Science Dialectica is thrilled to announce the 4th International Conference for the Convergence of Interdisciplinary Science (iC2IS-2025), scheduled for March 2025. This prestigious event will bring together global researchers, scientists, and industry experts to share groundbreaking advancements and foster collaborations across various fields of science and technology.

**Date:** 5-6 April, 2025 || **Online**

Scan and register

**Free Registration**

**Major areas:**

- Artificial Intelligence and Machine Learning in Material Science, Quantum Computing
- Theoretical and Experimental Condensed Matter Physics
- All Aspects of Materials Science and Nanotechnology
- Biomaterials, Biotechnology, and Biomedicine
- Sensors, IOT
- Water Treatment and Related Technology
- Energy Devices and Environmental Solutions
- Waste Management

**Convener, iC2IS-2025**

**Prof. Arghya Narayan Banerjee**

Yeungnam University  
(YU), South Korea

**Key Events:**

- Scientific Presentations
- Short talk competition
- Poster Presentations
- Article writing competition
- Talk to your thesis competition

## Submission Guidelines

### Abstract Submission

- Word Limit: Maximum 500 words
- Deadline: 1st March, 2025
- Notification: All abstracts will undergo rigorous screening, and shortlisted abstracts will be notified to authors promptly.

### Full Paper Submission (For Research Article Writing Competition)

- Length: Minimum 5-6 pages (excluding figures and references)

### Formatting:

- Font: Times New Roman
- Font Size: 11-point
- Line Spacing: 1.15
- Layout: Double-column

### Mandatory Sections:

In the full research article, two points must be included.

- Future Progress: Discuss potential advancements in the field.
- Societal and Industrial Relevance: Include a dedicated paragraph highlighting the practical impact and relevance of your research.

- Full papers will undergo rigorous peer review to ensure quality and originality.
- Short listing of abstracts will not guarantee the acceptance for the publication in Science Dialectica.
- Competition will be among the accepted articles.
- Articles should not be published elsewhere before.
- AI based writing will not be allowed. Prior to start review process, all articles will be checked in detail.

# Details of Article Writing Competition

## **Opportunities for Non-Selected Authors:**

Authors whose abstracts are not shortlisted for the Research Article Competition can still participate in other conference events, including:

- Flash Talk Competition
- Poster Presentation This ensures every participant has a platform to showcase their work and ideas.

## **Awards and Recognition**

- **Attractive Cash Prizes:** The top five accepted articles will receive cash prizes for their exceptional contribution to interdisciplinary science. Next five article will also be awarded attractive gifts.
- **Participation Benefits:** Every participant will receive:
  - Detailed feedback from reviewers
  - Opportunities to network with leading experts
  - Certificate of Participation

## **Key Dates**

- Abstract Submission Deadline: 1st March, 2025
- Notification of Shortlisting: 25th March, 2025
- Full Paper Submission Deadline: 30th June, 2025
- Conference Date: 5-6 April, 2025

\*Kindly maintain all the deadlines strictly.

Stay updated with all announcements on the official conference website:
